Fred will demonstrate how to progress from starting a new dog to training through Utility, with focus on problem solving, handling and enthusiasm.

Fred's dogs have consistently placed in all of the National Obedience ranking systems and have achieved multiple tournament placements. His most recent Obedience partner, "T.C." earned his CDX with two perfect 200 scores, his UD in one weekend and his OTCH four weeks later. Fred's students' achievements include multiple OTCH titles, numerous HIT and HC awards, tournament placements, and national rankings

Fred and "T.C." represented the USA and AKC at the 2007 International World Cup of Dog Obedience, held at the Crufts Dog Show in Birmingham, England.
